Top Quality Firearms at Value Prices.

We aren't easy to find. See the location page for the map.

Firearms Guns the primary emphasis of our business. We carry some accessories, but not like we used to. We mostly stock handguns by Ruger, Springfield Armory, S&W, FN, Beretta, CZ and Glock. If we don't have what you want in stock, we can probably get it at a price that will please you. We won't take any money unless the gun is ready to be shipped to us. You should never have to put up money to wait weeks for a gun that isn't immediately available. We accept most trades and purchase firearms we find interesting. Lawaway is available on most guns in stock with a 20% down payment.

BACK IN STOCK Ruger SR9 compact. 12 in stock as of 6/24/2010 for only \$459.00.
